## INTRODUCTION

Welcome to our *MOTORCYCLE* Parts & Services Catalogue.

(We also provide Parts & Services for *VINTAGE CARS* - please contact us for details.)

We have been in business for over 30 years, offering the highest standard of professional care and service for your Magnetos, Dynamos & Starter Motors, as fitted to Veteran, Vintage & Classic Motorcycles, and also to Vintage Cars.

(NB. Our products are **not** to be used on Aircraft.)

The Reconditioning Service we provide is second-to-none, based on wide knowledge, specialist skills and years of experience. We are happy to honour our two-year Guarantee, and help you sort out any problems.

Our extensive Parts List covers all the common Lucas, BTH and Miller Magnetos and Dynamos, and also some of the more obscure ones! We also supply JG Electronic Regulators, Prince Timing Detectors, ATDs, Cam Rings, and offer Coil Rewinding. Further details are in this Catalogue, and also on our website [www.davelindsley.co.uk](http://www.davelindsley.co.uk).

*"It is our aim and pleasure to provide a speedy, reliable and friendly service."*

## MAGNETO & DYNAMO RECONDITIONING

Should you wish us to recondition a Magneto or Dynamo, this is the procedure:

- 1) Contact us to ensure we are able to undertake the work on your unit.
- 2) Send the unit to us.  
(Please pack it up well in a large sturdy box. We suggest wrapping the unit in several layers of corrugated cardboard, then nestling it firmly in the box, using *lots* of *crumpled* newspaper. Bubble wrap is okay but, again, use *lots* of it. **Do not** use shredded paper or polystyrene chips, as these shift about, exposing the unit to damage. Seal the box well and label clearly. Please enclose your contact details, and any relevant information about the unit.)  
Or you can deliver it in person (please make an appointment).
- 3) We will test it and strip it, then contact you with details of the work required, an estimate of the cost, and completion date.
- 3) No work is done until you approve the estimate.
- 4) When the job is completed, we will contact you to finalise payment details.
- 5) We arrange Delivery / Collection at your convenience.
- 6) Your reconditioned unit will carry a 2-year Guarantee. (This is very flexible, as we realise many Magnetos and Dynamos are not fitted to the machine immediately because, for example, of restoration of the rest of the machine.)

## AUTOMATIC TIMING DEVICES (ATDs)

We offer an extensive ATD Reconditioning Service.

Just send your ATD to us and we will give you a quote (as above).

If it is too badly worn to overhaul, we can exchange it for a new or rebuilt ATD.

We also stock some new ATDs and a range of parts (see Page 10).

## MAGNETO ARMATURE REWINDING SERVICE

If you send us your Armature, we will rewind the Coil and fit a new Condenser. This will carry a 2-year guarantee. (If your Armature is mechanically damaged, we can repair/replace it for a supplement.)

Description and DL No.s can be found as the first items on the various Magneto Parts Lists on Pages 4, 5, 6 & 7 (Price List p.12)

## LUCAS K2F, K1F & KVF MAGNETO PARTS

DESCRIPTION	Lucas No.	DL No.	DESCRIPTION	Lucas No.	DL No.

## CAM RINGS (SPECIALS)

In addition to the Cam Rings listed in the Parts tables in this Catalogue, we can manufacture Cam Rings of many other types, eg. THOMPSON, BOSCH, BENNETT, ML, CAV etc.

These can be Single, 180°, 45°, 50°, 60°, 90° etc.

Please contact us if you require any Special Cam Ring, and we will quote.

(In some cases, it may be necessary to leave your Magneto with us so we can set up your new Cam Ring to give accurate internal timing.)

## J.G. ELECTRONIC REGULATORS

The J.G. Electronic Regulator (6/12 volt Conversion) was invented in 1976 as the world's first Regulator to enable a 6 volt Motorcycle Dynamo to work on 12 volts. There is also a 6 volt version if you wish to leave your Motorcycle on 6 volts. Both are available in Positive or Negative Earth.

We have been the sole distributor of the J.G. Unit for 30 years, and have sold over 30,000 to customers worldwide.

DESCRIPTION	DL NO.
6 VOLT POSITIVE EARTH JG UNIT (IN DIE CAST BOX)	80
6 VOLT NEGATIVE EARTH JG UNIT (IN DIE CAST BOX)	81
6/12 VOLT POSITIVE EARTH JG UNIT (IN DIE CAST BOX)	82
6/12 VOLT NEGATIVE EARTH JG UNIT (IN DIE CAST BOX)	83

If you have a MILLER system, then we offer a 6 volt and a 6/12 volt unit fitted on a replica Stainless Steel Base with metal cover. These are both Negative Earth.

DESCRIPTION	DL NO.
6 VOLT "MILLER" TYPE JG UNIT	84
6/12 VOLT "MILLER" TYPE JG UNIT	85

(NOTE: If you have the original Miller base & cover, send us the base and we will electroplate the base and fit the "MILLER" type JG Unit. This costs £25 less than items DL No. 84 & 85.)

## ALTERNATOR SYSTEMS

We supply the BOYER BRANSDEN 12 volt A/C POWER BOX to convert your Alternator to 12 volts. DL Part No. 417 .

## PRINCE TIMING DETECTOR

At last, a device which allows you to determine the exact moment that the points on a Magneto open to create the ignition spark. Forget the 1 thou feeler gauge and the cigarette paper! With this unit, you can set the timing precisely, giving better engine performance. DL Part No. 88 .

## **AUTOMATIC TIMING DEVICES (ATDs)**

As well as our ATD Reconditioning Service (See Page 3) we can supply new ATDs To suit BSA, TRIUMPH, VELOCETTE and VINCENT Motorcycles (see list below).

<b>DESCRIPTION</b>	<b>DL No.</b>	<b>DESCRIPTION</b>	<b>DL No.</b>
ATD EXTRACTOR BOLT (not Triumph)	260	ATD to suit BSA	422
ATD EXTRACTOR BOLT (for Triumph)	261	ATD to suit TRIUMPH	423
LARGE ATD WASHER	262	ATD to suit VELOCETTE	424
ATD 'WASHER'	263	ATD to suit VINCENT	425
FIBRE GEAR (TRIUMPH)	268	FIXED GEAR (TRIUMPH)	264
FIBRE GEAR (BSA A10))	269	FIXED GEAR (BSA A10)	266
FIBRE GEAR (VINCENT)	270	EXTRACTOR FOR 264	265
FIBRE GEAR (VELO) LUCAS	258	EXTRACTOR FOR 266	267
ATD SPRINGS (PAIR)	216	VELOCETTE FIXED GEAR	286

## **STAINLESS STEEL PARTS (S/S IN LISTS)**

We offer a large and increasing stock of Stainless Steel fittings to suit Magnetos and Dynamos. Our list is below, but please remember we can make any specials from samples or drawings. Items in other materials, ie. Brass, Tufnol and Mild Steel can also be made to order.

**NB. Due to an unfortunate problem facing one of our suppliers, some parts are temporarily unavailable (N/A)**

**ORDER FORM**

Please use the "DL No." when ordering (this is our own Part Number).

If all items are in stock, your order will be despatched within two working days. If any of the items are not in stock, we will let you know, and despatch your order at the earliest availability. We will not process your payment until your order is despatched. If there will be a considerable delay, we will contact you to discuss how to proceed.

VAT will be charged at 17.5% for customers in the UK and EC.

No VAT is payable by VAT registered EC customers (please give VAT No.) or by customers *outside* the UK and EC.
